## ABOUT OUR CAMP

Our camp is designed to be demanding yet enjoyable. Both the beginning and seasoned player will be challenged to their fullest. By the end of the week the players will have been exposed to the commitment and effort it requires to take their game to the next level. An experienced staff will provide a fun and competitive environment for players of all ages to develop and refine their soccer skills.

In the course of the camp, the players will learn the following techniques: heading, finishing, dribbling, tackling, passing, and receiving. Players will be coached in tactical situations as well.
