Looking for a cool place to chill over spring break? Our CIT program for individuals 13 and up at the Taylor Sportsplex is the perfect opportunity to get out of the house, learn some new skills, and have fun. CITs will participate in team-building activities with our own seasoned counselors to enhance and practice their leadership skills. As well, they will each be assigned to our specialized camps to learn responsibilities such as assisting counselors with activities, facilitating games, and mentoring younger campers. Once a CIT turns 16, they will have the opportunity to apply to the Taylor Sportsplex camp program to become a full-fledged counselor. Do not miss this opportunity to put something meaningful on your resume and learn leadership skills to prepare you for any job ahead.
